## Friends of the Former Hebrew Home

### **Our Mission:**

FFHH brings together local residents and voters concerned about redevelopment of the former Hebrew Home and Robeson School. Together we ensure our voice is heard by our elected officials. As a neighborhood, we have the power and responsibility to come together to advocate on issues that could impact our future. Take action today and support our neighborhood.

### **Our Proposal:**

- Deputy Mayor for Planning and Economic Development (DMPED) must redevelop both sites, not D.C. Housing Authority (DCHA)
- 20/80 mix: 20% affordable senior and family units and 80% market-rate equity/ownership units
- Ample affordable resident parking on premises

### **D.C. Administration's current proposal:**

- DCHA to develop 300+ Low Income Housing Tax Credit (LIHTC) units with no market-rate units (aka: 100% public housing) (note: the Robeson School can be torn down and replaced with a building of up to 6 stories)
- No on-site parking
